In “Toward a Domain-Overarching Metadata Schema for Making Health Research Studies FAIR (Findable, Accessible, Interoperable, and Reusable): Development of the NFDI4Health Metadata Schema” (*JMIR Med Inform* 2025;13:e63906) the following corrections have been made.

Author Hannes Wünsche was erroneously included in the authorship list. Hence, their name and affiliation have been removed.

In addition, the following affiliation has been changed from:

Department of Molecular Epidemiology, German Institute of Human Nutrition, Potsdam-Rehbruecke, Nuthetal, Germany

to:

Department of Molecular Epidemiology, German Institute of Human Nutrition Potsdam-Rehbruecke, Nuthetal, Germany

The corrections will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories,

the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 27.05.25; accepted 27.05.25; published 04.06.25.
